

# Yard Tour

## Materials Recovery Facility

All the materials we collect for recycling are transported back to our Materials Recovery Facility (MRF) in Essex.

This enables us to sort recycling to the highest standards in-house, retaining quality in the recycling chain.

In 2019, we invested over £2.5m in upgrading our MRF. We have installed optical sorting facilities, magnetic sorters, eddy currents and a ballistic separator to maximise the amount of recycling sorted.

**This upgrade makes ours the largest commercial MRF in London.**

## Tours

Tours are a great way for your team to carry out due diligence, and to learn more about the recycling, shredding and data-wiping process we carry out.

## Facility features

- Multiple bays for storing materials
- A secure IT and Asset Disposal unit
- Optical sorters
- Ballistic separator
- A state of the art secure shredding unit
- A bin washing system (the first of its kind)

# How to find us

## Dress code

Please dress appropriately (remembering this is a working yard) and wear sturdy, toe-covering shoes. We will provide high visibility jackets.

## Address

Unit 38-39 Juliette Way, Purfleet Industrial Park,  
Purfleet, Essex, RM15 4YA

## By rail

The closest train station to the yard is Purfleet. There are regular c2c trains from London Fenchurch Street to Purfleet.

From Purfleet station, you can order a taxi or it is a 25 minute walk.

## By road

Our yard is around 17 miles from central London. Our postcode will take you to the entrance of Purfleet Industrial Estate.

When you arrive at the main entrance to Purfleet Industrial Estate, go through the gates, past the security hut on the left hand side.

Take the first left turn and continue to the end of the road where you will see Ensign Buses straight ahead of you.

Turn left. Follow the road which will bend around to the right. Continue to follow the road until you reach the last warehouse on the right hand side. This is our facility and is signed 'Paper Round Material Recycling Facility'.
